Converters Link

Above converter can also be downloaded and used offline from here

I would like to thank Mr. Selva Murali for providing the requirements and detailed map and information about Modular Tamil Keyboard layout.

My sincere thanks to Mr. Suratha Yarlvaanan who guided with his ideas to bring this converter as a better tool during its initial development and also thanks to Late Mr.
Thenkoodu
Sakaran
who gave the web hosting space free of cost during its first year.
